

## CERTIFICATION

NOTE: On May 18, 1998, the U.S. Department of Housing and Urban Development published in the Federal Register a new regulation prohibiting authority from approving a unit for lease if the owner (including a principal or other interested party) is a parent, child, grandparent, grandchild, sister, brother of the Section 8 Voucher of Certification holder that is seeking to rent the unit. The new policy applies to new admissions and to move with continued assistance, and requires a signed certification by both the owner and the tenant.
